Sen Sensei's Winter Adventures

Winter in Japan is great! I had many special experiences this Winter!

I saw the rainbow bridge in Odaiba. It was very colourful.

I went to Goshikinuma in the snow! It was very cool.

I went skiing for the first time on Mount Zao! It was scary but fun!

I experienced a beautiful sunset in Izu. Izu was very hot in January!

I went to see Mount Fuji with my friends! Do you know them?

I saw Ouchi Juku in the snow! I slipped on the ice many times!

Now let's look forward to Spring!
